

WELCOME

To our monthly newsletter about construction at Vista. This has been designed to keep you updated about our key activities on site and within the community.

Please visit our website for updates:
<http://www.vistaconstruction.co.uk/>

Berkeley seek to minimise disruption during construction works as much as possible. This newsletter will be emailed to all interested surrounding residents to provide regular updates and key information on the Vista project.

Development Information

The Vista Development comprises the delivery of approximately 452 units over two buildings, Block C at the North of the Site and Block L at the South, along with ground floor retail and associated car parking.

General Site Activities Information

- We would like to wish you a Merry Christmas and a Happy New Year from all the team here at Vista.
- The site will be open as normal until 24th December and we will return on 3rd January.
- We will have a small presence on site during the week after Christmas, mainly doing maintenance and works to the façade. This will be managed by Berkeley Homes Managers.
- Just to let you know our first residents have moved in to the Flats in Core 1 on the corner of Sopwith Way/Queenstown Road.
- Wandsworth have agreed that vehicles can unload from Sopwith Way and South Road.
- New show flats are being built under the Lanson and Hawker blocks to replace the older show flats.
- We will be doing some works out of hours but these will only be non-noisy and internal to the building. These works will always be supervised by a Berkeley Manager.
- There will be road works at the site entrance on Sopwith Way and on parts of Queenstown Road beginning in January. This will continue for aprox 3 months.
