General Site Activities Information

- **Tower Crane Removal 1st & 2nd October. We are removing our second Tower Crane on the weekend of the 1st/2nd October. This will be done from Queenstown Road and will involve a partial lane closure. Part of the works will take all day Saturday & Sunday (5:30am-8:00pm) and will involve out of hours working. Works have been agreed by Wandsworth and TFL.**
- Just to let you know our first residents have moved in to the Flats in Core 1 on the corner of Sopwith Way/Queenstown Road.
- Wandsworth have agreed that vehicles can unload from Sopwith Way and South Road.
- We are using the area under the Network Rail viaduct alongside Sopwith Way to store materials. This will help with the logistics of the project and has been agreed with Network Rail.
- New show flats are being built under the Lanson and Hawker blocks to replace the older show flats.
- We will be doing some works out of hours but these will only be non-noisy and internal to the building. These works will always be supervised by a Berkeley Manager.
