

Monthly Newsletter

May 2018

WELCOME

To our monthly newsletter about construction at Vista. This has been designed to keep you updated about our key activities on site and within the community.

Please visit our website for updates:
<http://www.vistaconstruction.co.uk/>

Berkeley seek to minimise disruption during construction works as much as possible. This newsletter will be emailed to all interested surrounding residents to provide regular updates and key information on the Vista project.

Development Information

The Vista Development comprises the delivery of approximately 452 units over two buildings, Block C at the North of the Site and Block L at the South, along with ground floor retail and associated car parking.

View from Queenstown Road

General Site Activities Information

- Block C is now complete and handed over.
- Deliveries are being received primarily at the South entrance to reduce disruption. Only a very small number of deliveries and collections are currently being received.
- We will be doing some works out of hours but these will only be non-noisy and internal to the building. These works will always be closely supervised by a Berkeley Manager.
- Full Project completion on course for May 2018.
- Demolition of site welfare from beneath the NR viaduct continues with two units successfully removed in April.
- Two remain with next removal planned for Sunday 20th May.
- Removal of welfare must be carried out at weekends due to wide load restrictions during the week. Disturbance will be kept to a minimum.
