

Monthly Newsletter

JULY 2015

Working Hours: Monday – Friday: 8am to 6pm and Saturday - 8am to 1pm

Berkeley seek to minimise disruption during construction works as much as possible. This newsletter will be emailed to all interested surrounding residents to provide regular updates and key information on the Vista project. Should you wish to be added to the email database please email vista@berkeleygroup.co.uk

Development Information:

The Vista Development comprises the delivery of approximately 452 units over two buildings, Block C at the North of the Site and Block L at the South, along with ground floor retail and associated car parking.

Block C has progressed on to the fifth floor on cores 1 & 2

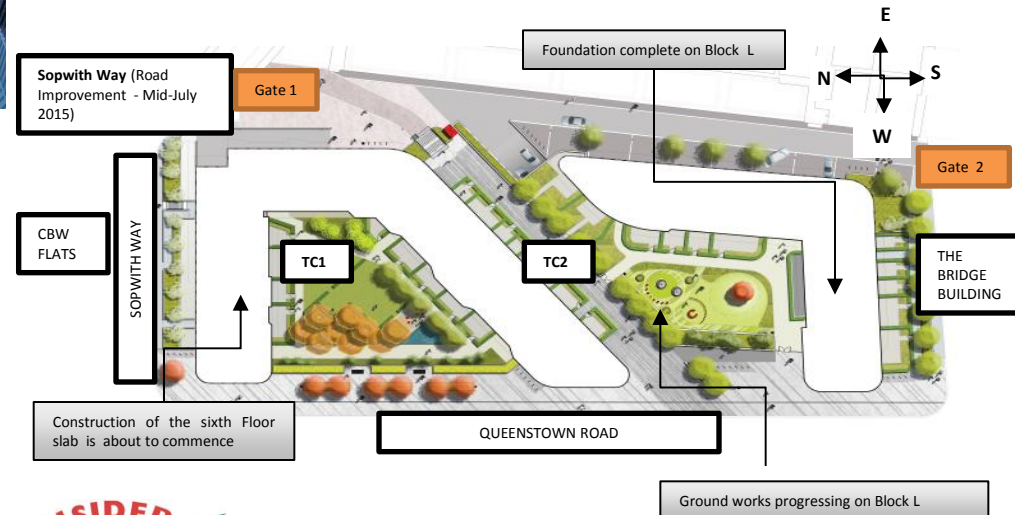

Balcony panel installation is progressing and has been completed on levels 2, 3 & 4

The foundation on Block L have been completed

General Site Activities Information

- As work progresses, a substantial amount of concrete pours will be taking place over the next few months for the concrete floor slabs in Block C and Block L.
- As we progress up each level, can we politely remind those of you overlooking the site to be mindful of your privacy as the new buildings get higher.
- Wandsworth have agreed that some vehicles can unload from Sopwith Way (South Side).
- The South entrance (Gate 2) will be in operation towards the end of the month, and a parking restriction is currently in place.
- The final stage of ground works is ongoing along the car park / Ramp section in Block L, and we expect muck-away activities to continue. This activity will be well co-ordinated to prevent any traffic disturbance.
- Sopwith Way road (the section from the river to the round-about alongside the railway line) will have the tarmac completed, 5 extra street lights and drainage installed and a new section of pavement built outside the Hotel. These works which are required by Wandsworth Council will start 6th July and last 8 weeks. Thames Water will also be laying new pipes at the river end of Sopwith Way.
