

Monthly Newsletter

November 2016

WELCOME

To our monthly newsletter about construction at Vista. This has been designed to keep you updated about our key activities on site and within the community.

Please visit our website for updates:
<http://www.vistaconstruction.co.uk/>

Berkeley seek to minimise disruption during construction works as much as possible. This newsletter will be emailed to all interested surrounding residents to provide regular updates and key information on the Vista project.

Development Information

The Vista Development comprises the delivery of approximately 452 units over two buildings, Block C at the North of the Site and Block L at the South, along with ground floor retail and associated car parking.

Visit our Twitter Page or Follow us @Team_VistaBHCL

The Vista Project is proud to sponsor local charity Thrive. Please visit their website - www.thrive.org.uk

Block C – Core 1 is now complete.

Block L –Concrete frame is complete.

General Site Activities Information

- We will be removing our last Tower Crane on Sat/Sun 26th/27th November. This will be done from Queenstown Road and will involve a partial lane closure. This has been agreed by Wandsworth and TFL and may last all day depending on weather conditions.
- Just to let you know our first residents have moved in to the Flats in Core 1 on the corner of Sopwith Way/Queenstown Road.
- Wandsworth have agreed that vehicles can unload from Sopwith Way and South Road.
- We are using the area under the Network Rail viaduct alongside Sopwith Way to store materials. This will help with the logistics of the project and has been agreed with Network Rail.
- New show flats are being built under the Lanson and Hawker blocks to replace the older show flats.
- We will be doing some works out of hours but these will only be non-noisy and internal to the building. These works will always be supervised by a Berkeley Manager.
- Just to let you know that Wandsworth Council are resurfacing Queenstown Road on 15th November for 2 weeks. There will be temporary traffic lights set up on Sopwith Way.
