

Monthly Newsletter

April 2018

WELCOME

To our monthly newsletter about construction at Vista. This has been designed to keep you updated about our key activities on site and within the community.

Please visit our website for updates:

Berkeley seek to minimise disruption during construction works as much as possible. This newsletter will be emailed to all interested surrounding residents to provide regular updates and key information on the Vista project.

Development Information

The Vista Development comprises the delivery of approximately 452 units over two buildings, Block C at the North of the Site and Block L at the South, along with ground floor retail and associated car parking.

General Site Activities Information

- Block C is now complete and handed over.
- Deliveries are being received primarily at the South entrance to reduce disruption.
- We will be doing some works out of hours but these will only be non-noisy and internal to the building. These works will always be closely supervised by a Berkeley Manager.
- The podium area between both buildings is now open to the public. Sculptures have been installed recently and will be open to the public in late April.
- Full Project completion on course for May 2018.
- Site welfare facility below railway will be removed over 4 weekends in April and May. This will be carried out at weekends due to transport restrictions on units. The first of these moves has been confirmed for the 21st and 22nd April, with the next on 28th and 29th April. The final 2 units will be removed on the 12th-13th and 19th-20th of May.
- Removal of welfare must be carried out at weekends due to wide load restrictions during the week.
