

Monthly Newsletter

June 2017

WELCOME

To our monthly newsletter about construction at Vista. This has been designed to keep you updated about our key activities on site and within the community.

Please visit our website for updates:

Berkeley seek to minimise disruption during construction works as much as possible. This newsletter will be emailed to all interested surrounding residents to provide regular updates and key information on the Vista project.

Development Information

The Vista Development comprises the delivery of approximately 452 units over two buildings, Block C at the North of the Site and Block L at the South, along with ground floor retail and associated car parking.

- ### General Site Activities Information
- We will be removing some of our Welfare cabins under the viaduct in the arch closest to South Road (The Bridge). This will involve removing the cabins on a Sunday as they are wide loads and cannot be brought out of London during the week. We hope these works will take place on 11th June.
 - Our first residents have moved in to the Flats in Core 1 on the corner of Sopwith Way/Queenstown Road and Core 2 which is on the corner by the site entrance.
 - Wandsworth have agreed that vehicles can unload from Sopwith Way and South Road.
 - We will be doing some works out of hours but these will only be non-noisy and internal to the building. These works will always be supervised by a Berkeley Manager.
 - The Vista Project is seeking approval from Wandsworth Council to use the 2 areas under the railway viaduct closest to the site entrance as offices and a recycling area.
