

Monthly Newsletter

January 2016

WELCOME

To our monthly newsletter about construction at Vista. This has been designed to keep you updated about our key activities on site and within the community.

Please visit our website for updates:

Berkeley seek to minimise disruption during construction works as much as possible. This newsletter will be emailed to all interested surrounding residents to provide regular updates and key information on the Vista project.

Block C is now at level 15 and the roof has been cast.

Block L is progressing and is at level 2.

General Site Activities Information

TC3 our 3rd Tower Crane will be installed on 21st /22nd/23rd January. This is being co-ordinated with Network Rail and will involve disruption to South Road for 2 days, especially in regard to car park access to the Bridge. A 250 tonne mobile crane will be parked in the road which will put up the tower crane in sections over 3 days. Further information will be issued nearer the time.

UKPN will be installing electrical ducts on 15th to 21st January in Sopwith Way at the entrance of Battersea Dogs Home.

Wandsworth have agreed that vehicles can unload from Sopwith Way and South Road.

In order to help progress the Vista project Wandsworth Council have agreed to allow Berkeley Homes to load out materials from 6pm to 8pm. Disruption to residents will be kept to a minimum and noise will be limited to the tower cranes/hoists and the movement of materials. Managers will be on-site supervising these works and we ask that if you have any issues with these activities please contact us on the numbers provided.

There will be a residents meeting in February. We will let you know the date in our next newsletter.
