

Monthly Newsletter

September 2016

WELCOME

To our monthly newsletter about construction at Vista. This has been designed to keep you updated about our key activities on site and within the community.

Please visit our website for updates:

Berkeley seek to minimise disruption during construction works as much as possible. This newsletter will be emailed to all interested surrounding residents to provide regular updates and key information on the Vista project.

Development Information

The Vista Development comprises the delivery of approximately 452 units over two buildings, Block C at the North of the Site and Block L at the South, along with ground floor retail and associated car parking.

Block C – Core 1 is now complete.

Block L is progressing and is at Level 14.

General Site Activities Information

- We will be completing the landscaping, pavement and kerb on Sopwith Way and Queenstown Road by our site entrance during September. We are also removing our hoarding and opening up areas to the public.
- Wandsworth have agreed that vehicles can unload from Sopwith Way and South Road.
- We are using the area under the Network Rail viaduct alongside Sopwith Way to store materials. This will help with the logistics of the project and has been agreed with Network Rail.
- New show flats are being built under the Lanson and Hawker blocks to replace the older show flats.
- We hope to remove our 2nd Tower Crane in September/October.
- There will be a Vista residents meeting on the 15th September from 5pm-6:30pm. This will be in the Sales Suite under the Lanson building opposite the Pestana Hotel.
- We will be doing some works out of hours but these will only be non-noisy and internal to the building. These works will always be supervised by a Berkeley Manager.
